

## Non-locality Durham 1991

1. J.D. problem. Fine's problem
  2. Indeterminism & Counterfactuals  
Stapp's problem
  3. Stochastic h-v theories  
    ↳ Robustness — Cartwright's Problem
  4. Holism — Violation of OLOC  
    Lewis and the bilateral hands
  5. classical limit of Mermin's proof
- 

But with bilateral hands do we  
have 4 hands rather than 2?

— analogy with violation of OLOC?
